

# THE NAGS HEAD WALK

## BUNBURY CHURCH & VILLAGE – 4 MILES

Turn right out of the pub car park and follow Long Lane for approximately 400 yards before turning right onto Hall Lane.

Turn immediately left on to a no through road leading to Ferret Oak Farm. Pass the farm and continue to the stile at the end of the track to enter a long, narrow field.

Bear slightly right to cross a footbridge over the stream. Cross another stile at top of bank. Follow path until you reach a stile, turning right along a hedged – in path bringing you out onto Wyche Lane. Turn left and follow the lane for 400 yards until it beds sharply left. Go straight ahead here on to Wyche Road.

Continue on the lane to reach Bunbury Church on your right. Turn left along Vicarage Lane to Bunbury Village. Pass 'The Nag's Head Pub' (not the same one!) and bear left along Bunbury Lane.

Pass the Trinity Methodist Church and head out of the village until you reach a footpath sign on your left. Follow the hedged-in footpath, through the kissing gate until you reach a stile. Cross the stile into a field and you are now on the path you took from Haughton leading you right back to us for a well earned refreshment!
